FROM THE EXECUTIVE DIRECTOR'S DESK

LOVE SAID IN MANY WAYS!!

How can I say thanks for the things God has done through our supporters? I was recently presented a check for \$330.00 from the Northwest Beading Project students to help families in need. I was completely "blown away" by these kids' generosity! These children made beaded bracelets throughout the school year and raised over \$734.00! The students wanted to give some of the money raised to Riley's Children Hospital and the remainder to a local ministry, which was Love INC! (SEE THEIR LETTER ON PAGE TWO)

We have a lot of supporters that don't get recognized publicly. However, we do appreciate everything that our supporters do, whether it be large or small!

Summertime seems to be the time of year that we get caught up in family times, sports, vacations, etc. However, the needs of our clients continue throughout the entire year.

Love can be said by donations, large or small, volunteering in different ways, or by praying for our organization and our clients. How much love do you have to share?

Have a safe summer!

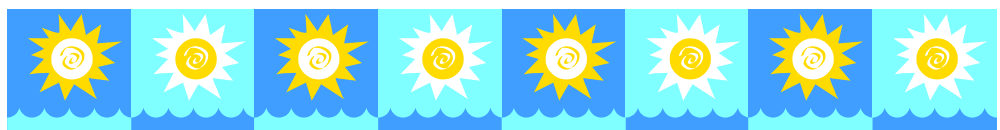

Claudia Karges
Executive Director
